2017 MINISTRY CATALOG

A Letter From Our Pastor

Dear Sacred Heart Family:

On the following pages you will find information about our parish and various ministries. Buildings do not make a church – people do. A parish is a community of believing Christians and the people of Sacred Heart are most important. We are here to help you grow spiritually and to help you develop associations with other members of our community.

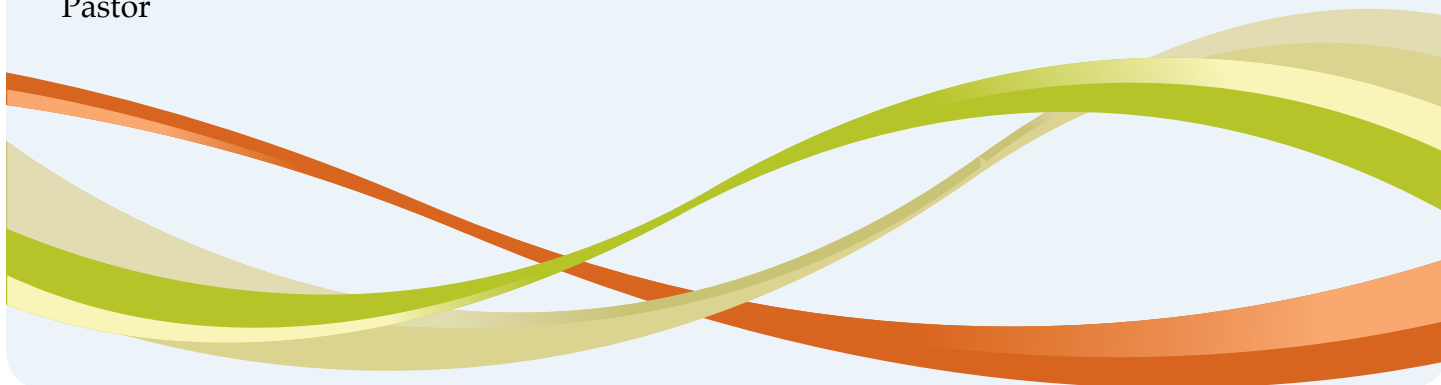

Sacred Heart worships together each and every day; especially on the weekends. Every effort is made to make the liturgical celebrations come alive so that all might experience the “richness of Christ.” Many opportunities exist in our parish to experience the Eucharist and other Sacraments.

Although our Parish is large, it is known as a warm, friendly, family-type church. We hope you will experience the hospitality of our parish family. We are blessed by your presence in our community, and look forward to continuing to celebrate with you.

Peace,

Fr. Pat Sullivan

Pastor

Stewardship as a Way of Life

“As each has received a gift, use it to serve one another as good stewards of God’s varied grace.” 1 Peter 4:10

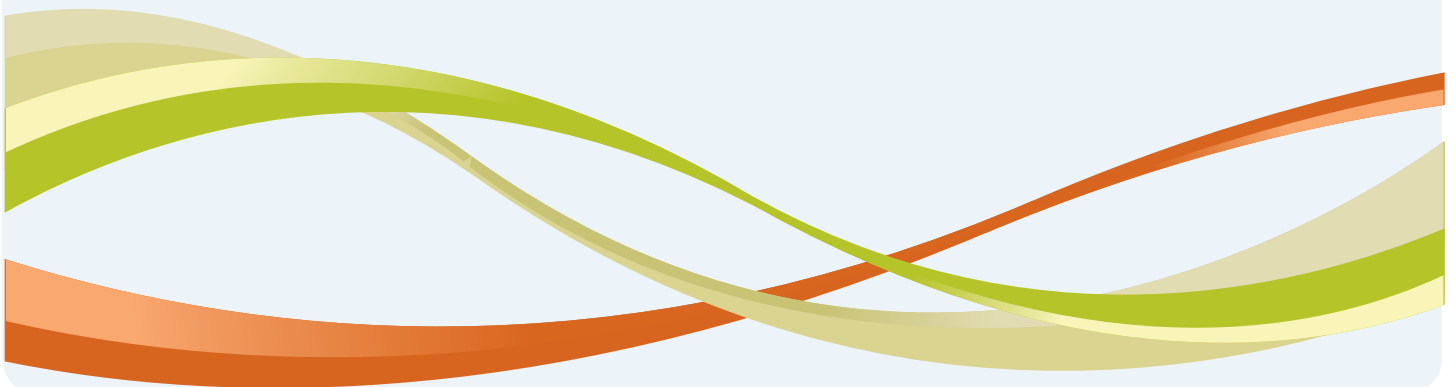

Stewardship is the response of each individual’s call to discipleship, a lifelong “way of life,” whereby one responds to the mission and ministry of the local and universal Church, sharing the Gospel of the life, death and the resurrection of Jesus Christ. Stewardship recognizes that we, as individuals, are not the owners of our lives, our time, our talent, nor our treasure, but stewards or managers of these God-given gifts. Stewardship is our time, talent and treasure given to God in thanksgiving and with increase for all that He has given us.

Stewardship invites you to prayerfully consider your relationship with Jesus Christ. Do you set aside time to commit to Him alone? Stewardship invites you to prayerfully consider how you are called to share your talents within various ministries of our parish. How do you serve Him by serving others? Stewardship invites you to prayerfully consider how you are called to share your treasure in proportion to what you have received. Do you tithe by definition, which is “a 10th part of one’s income consecrated to God?” In general terms, these guidelines are recommended:

5% to the parish offertory for ongoing expenses;

1% to the Archdiocese;

4% to the charity of your choice

Parish Councils

STEWARDSHIP COUNCIL

The primary goal of our Stewardship Council is to help form Disciples in Christ. We recognize that we are all interconnected and dependent upon on each other to ultimately reach His kingdom, as we are all many parts of the one body in Christ. Disciples are formed in an atmosphere that provides hospitality, prayer, formation and service. Our primary role is to help create and maintain this atmosphere, but with the understanding that Christ links discipleship with action. Thus, our secondary role is to invite each parishioner to live Stewardship as a Way of life as they respond with their gifts of time, talent and treasure to Sacred Heart and the community at-large. Co-Chairs: Matt Thompson at matt@shiftnote.com and Leigh Anne Thompson at LA@shiftnote.com

FINANCE COUNCIL

The Parish Finance Council is established in accord with Canon 537 to advise and assist the pastor in matters pertaining to parish finances and properties. The Finance Council assists the pastor in being good stewards of parish resources by overseeing

and planning the financial aspects of our parish resources to spread the Gospel. The pastor appoints the members of Finance Council after consultation with the current council and/or the Stewardship Council. Members are appointed for a three-year period renewable once. Registered parishioners who wish to be considered for appointment to the Finance Council should contact the pastor. Chair: Dan Janatello at dcjanate@hotmail.com

Mortgage Status:

Sacred Heart carries a \$3.5 million mortgage on the church and school addition buildings. Sacred Heart has been blessed with an estate gift from the Berkel Donor Advised Fund. This fund was established in 2015 after the death of a long time parishioner and faithful Christian Steward, Charles Berkel. It provides an annual payment to Sacred Heart for the next twenty years (ending 2034) subject to market conditions. Through the support of 500 parishioners who made a three year pledge (January 1 2014-December 31 2017), Sacred Heart has been and will be able to manage the \$30,000 monthly mortgage payment through December 31 2017.
